DuraVent Internet Sales Policy

This Internet Sales Policy establishes advertised price standards and Internet Seller policies for specified DuraVent products. Advertised pricing of DuraVent products must comply with this Policy in order to be eligible for promotional and warranty benefits provided by DuraVent. The cooperation of all parties, websites and distribution channels, is essential to our mutual success and support of our various venting product lines.

DuraVent alone is responsible for enforcing this Policy and will do so unilaterally. If an advertisement for a Covered Product does not comply with this Policy, then the reseller will forfeit benefits under this Policy. DuraVent has the right to change prices, change policy, and add or delete MAP Products at any time

Authorized Channels and Product Lines

DuraVent offers a variety of products for various channels of distribution and sale, some of which are intended for professional dealers and installers and others are intended for the consumer and do-it-yourself customer.

DuraVent offers the following professional products that are intended and reserved for professional installers. These products are fully warranted if installed only by a professional installer. DuraTech®, DuraPlus HTC®, DuraChimney® II, PelletVent Pro®, DirectVent Pro®, FasNSeal®, FasNSeal® W2, FasNSeal® Flex, and PolyPro®, and DuraVent's relining products including DuraLiner®, DuraFlex® (SW, Pro, 316, 304), and Ventinox®.
